

Sewing for Kids Workshop

Tuesdays 4:30 pm - 6:00 pm | February 8, 15, 22, March 1, 8, 15

In this hand sewing workshop, we will learn all the basics of hand sewing to create both 2D and 3D objects, from design and pattern making to embellishing. Students will have the chance to use their own interests and imagination to make unique creations all their own.

Fabric Tie-Dyeing Workshop

Tuesdays 6:30 pm - 9:30 pm | February 8, 15, 22, March 1, 8, 15

Learn the basics of getting color onto fabric, and then some! We will learn what chemicals you need for dyeing, how the process works, and what techniques can be used to manipulate the fabric and colors to get a wide variety of outcomes. Each class will focus on a different technique, with time to continue experimenting as we go.

	Tie Dye Workshop
